Business was good on the local produce market, and dealers offered an excellent assortment of good things to eat. In fact, the Salt Lake market is as well supplied at the present time as it usually is in the middle of the summer.

The demand for fish was considerably greater than that for meat. Saturday, fish was plentiful, but quotations were with the best sales. Crabs also sold well. There is still a good supply of fresh oysters on the market, and the price of the delicacy continues unchanged.

EASTER TOGGERY MAY GET WETTING TODAY

Section Director Hyatt Not Very Optimistic About Weather Conditions.

Take care, girls! It may not be well to put on too much of your new spring toggeries today, even if it is Easter. Dr. Hyatt is out of sympathy with the custom of donning new clothes on Easter Sunday and he has announced his intention of giving those who become too venturesome along this line a good soaking. He predicts, possibly, rain or snow for today, with a fall in the temperature.

Fair weather prevailed Saturday over the greater portion of the country, with scattered showers or snow flurries over portions of Oregon, Washington, British Columbia, Montana, Idaho, Utah, and the Atlantic states. The lowest temperature was over the upper lake region, and the highest was along the Gulf and Pacific coasts.

Cooler Sunday with rain or snow is indicated for this locality. Saturday's meteorological record at the local station of the United States weather bureau for the twenty-four hours ending at 6 p. m. was as follows:

Temperature at 6 p. m., 46; maximum temperature, 62; minimum temperature, 34. Accumulated excess of temperature since January 1, 33 degrees. Total precipitation since first of month, .97 inch, which is .68 inch below normal. Accumulated excessive humidity at 6 p. m., 59 per cent.

Smooth "Charlatans" have fooled the people a short time and vanished—Street Fakirs come and hurriedly leave with the people's cash—"Brass Band Fakirs" and "Boy Phenomena" last only as long as credulous dupes furnish them a living—and leave behind "Quack Medals," "Compasses" and "Fake Institutes," hiring cheap Doctors on salary spring up and flourish for a time, and then close their doors leaving the public sadder and wiser because fraud and deceit cannot continue for long—But honest, successful and skillful Doctors continue year after year making new friends and scoring victory after victory over disease and gain the respect and confidence of the fair-minded public.

These are Undisputed Facts Easily Proven.

Their business with the Postoffice and Express Companies is by far larger than all other would-be competitors combined—proving the strength of their Home Treatment system. Dr. Shores' parlors are visited daily by the best people of the City and State—Business men, working men, ladies and children all seek the aid of these Reliable Specialists. Their parlors are private and always respectable, and no one need feel ashamed of coming to Dr. Shores for treatment.
